Notes to the financial results for the quarter and nine months ended 31 December 2019:

a. The unaudited financial results for the quarter and nine months ended 31 December 2019 has been reviewed by the Audit Committee at its meeting held on 13 February 2020 and approved at the meeting of the Board of Directors held on that date. The above results have been subjected to limited review by the statutory auditors of the Company. The report of the statutory auditor is unqualified.
b. These financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
c. As at 31 December 2019, the Company is engaged in the manufacture of various types of micro motor, micro motor related components and BLDC fan motors. The Company's Chief Operating Decision Maker (CODM) considers the Company as a whole to make decisions about allocation of resources and performance evaluation. Therefore, the Company has only one reportable operating segment as per Indian Accounting Standard (Ind AS) 108 - Operating Segments.
d. The Company has adopted Ind AS 116 on "Leases" effective 1st April 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (1st April 2019). Accordingly, previous period information has not been restated. This has resulted in recognising a right-of-use asset of Rs.1,729 lakhs and a corresponding lease liability of Rs.1,880 lakhs and transfer of prepaid rent of Rs. 78 lakhs to right-of-use asset. The net difference of Rs.149 lakhs [net of deferred tax asset created of Rs.80 lakhs] has been adjusted to retained earnings as at 1st April 2019. In the statement of profit and loss for the current period, operating lease expenses which were recognized as other expenses in previous periods is now recognized as depreciation expense for the right-of-use asset and finance cost for interest accrued on lease liability. The adoption of this standard did not have any significant impact on the profit for the period and earnings per share.
e. Pursuant to the Taxation Laws (Amendment) Ordinance, 2019 issued on 20 September 2019, domestic companies have been given an option to apply a lower income tax rate with effect from 1 April 2019, subject to certain conditions therein. The Company has exercised the above option in the current quarter and accordingly, it has recognised provision for income tax for nine months ended 31 December 2019 and remeasured its deferred tax liability, based on the lower annual effective tax rate.
f. Figures for the prior periods / year have been reclassified wherever required to conform to the classification of the current period.
g. The full format of the results for the quarter and nine months ended 31 December 2019 are available on the BSE website (www.bseindia.com), the National Stock Exchange website (www.nseindia.com) and on the Company's website (www.igarashimotors.com).
